Mr. Robert W. Prescott, Jr.
151 River Avenue
Eugene, Oregon

Dear Mr. Prescott:

Thank you for your letter of 22 November outlining your proposal for reaching adult audiences through their children. As you point out, this type of activity is not appropriate to this Agency. Therefore, I am returning your clipping to you in case you wish to communicate your proposal to the United States Information Agency whose responsibility it is to help place the American point of view before the world.

Sincerely,

Allen W. Dulles
Director
